3rd Event of HISTORIC REGULARITY RALLY CHAMPIONSHIP 2017

The central location of the Rally is the Municipality of Varna GPS: 43.2079033,27.9160133,412. There is located the Secretariat of the Rally as well.

The history of the rally: The Classic Rally "Neptun" is the first Bulgarian Retro Classic Rally, organized in 1996. Traditionally it is realized in the Summer, with start and final in the town of Varna.

DOLNI CHIFLIK

As the stages "Regularity tests" pass on countryside asphalted forest roads, calm small villages and towns, changing with noisy summer resorts, fishermen villages and historical places, full of tourists.

The time control in the town of Nessebar is almost at the sea beach. There you can see the the attractive sea bay of the old town of Nessebar.

At this Rally you could combine the pleasure of driving your favorite classic car through the sunny roads and beautiful sea sightseeing's with the unrepeatabe feeling to cross the final as a winner!

BYALA

The route of the Rally passes across the Black sea coast, **The route begins from Varna, through Dolni Chiflik, Byala, Obzor, Sunny beach, Nessebar, St. Vlas and backwards. The final is in Varna.**
